

## Halibut Catch Increases, But Yellowtail Fall Off

Yellowtail fishing at the Coronado Islands, which had struck its hottest pace a day or two before, was whacked down somewhat by a persistent southeaster last weekend but at the same time the bag of big barn-door halibut reached unprecedented proportions.

A band of 208 anglers from the H. & M., Point Loma, and Fisherman's Landings racked up 870 yellowtails for the season's best haul Friday, but Saturday's take, under unfavorable conditions, dropped to 201. However, Saturday fishermen accounted for 170 barn-doors, ranging from 20 pounds to 45-4.

Drifting for the flatties also turned up other unusual catches. One of them was a 17 pound 8 ounce ocean white fish, largest checked in here for some time. It was caught on 20 pound line and spinning gear by Lee Beard of Colton.

Top weight yellows of the derby week included: 25-14, John Balogh, San Diego; 24-9, Orval Wilbur, San Diego; 24-8, Gary Walden, San Diego; 24-6, David Hoskins, Brawley; 24-5, John Hewitt, Topeka, Kans.; and Roy Shimada, Los Angeles, 23-8.

Albacore fever also is beginning to take hold here, and first test run designed to turn them up has been booked for June 25th by Wayne Miller, skipper of the Capt. Midnight.

## Clinic Set For Women Scorekeepers

An umpiring and scorekeeping clinic for mothers and interested women is being offered under the auspices of the Torrance Recreation Department.

The clinic will offer instruction in the basics of umpiring and scorekeeping designed for the novice coach, umpire and scorekeeper.

The clinic is offered in connection with the Yellow Ribbon Girls Softball League and will be held June 22, 8 p.m., at Waverly Park, 3855 - 242nd St.

For registration and further information call Dee Manning, at the Torrance Recreation Department, FA 8-5310.

## Montgomery Honors Athletic Teams At Annual Athletic Awards Banquet

The Second Annual Athletic Awards Banquet of Bishop Montgomery High school was held recently at the Hacienda Motor Hotel in San Pedro. Tom Hawkins of the Los Angeles Lakers was the guest speaker. He said it's not what the school can do for you, but what you can do for the school. He stressed, among other things, the moral integrity—the honesty—that an athlete must possess.

Mayor Albert Isen of Torrance was the guest of honor and privileged the group with his presence and a few words. Also at the head table were Lou Mohs, the Laker general manager, and Frank O'Neil, the Laker trainer.

250 ATTENDED, comprising

mainly the athletes and their parents. They all enjoyed a hot swiss steak dinner.

The Montgomery "Knights" have been outstanding in baseball, insofar as both the varsity and Bee teams have taken the championship in their league for the last two years, ever since they began to compete. Fr. Michael McNulty, principal, presented the Varsity Baseball Trophy to their coach, George Gaunder. Coach Gaunder is also the athletic director at Montgomery. Then, Fr. Eugene Buhr, vice-principal, presented the Bee Baseball Trophy to their coach, John Reveles.

The Bee Swimming Team also brought home the league championship under Coach

Dick Cahill, and received their trophy.

TWO COVETED individual trophies were won. Forrest Hunt won the annual Pep Club Sportsmanship Trophy presented by Fr. Fabian, the club moderator. Previously, his trophy had been won by George Cannady and Willard Welly, club motto is "Nihil Sine Labore" (nothing without labor).

The other individual trophy, presented by Coach George Gaunder, entitled the Ad Majorem Dei Athlete of the Year Trophy, was also won by Forrest Hunt. This year he lettered in four major sports, and won special acclaim in baseball. This trophy was previously won by Hunt and John Clark.

GOOD PREDICTION... Just prior to awarding El Camino outfielder Bob Guy the All-Metro Conference presentation at the annual Awards Banquet, Warrior baseball coach Chuck Freeman (right) predicted Guy would be the first EC horseholder to make the majors. His prediction proved correct as Guy recently signed with the New York Yankees.

## Upstart Braves Shock Senators In Tordondo Little League Tilt

Stepping out of their role as the Tordondo Little League doormat, the Braves rebelled to surprise the league leading Senators, 4 to 2. Bill Hoskinson went all the way on the mound for the Braves.

Earlier in the week, the Senators lived up to their reputation by shutting out the White Sox, 12 to 0 behind the 11 strikeout performance of Dick Cowden. The tilt saw three Senators belt the horsehide for a four-bagger. Cowden joined Tim Hamilton and Dave Mosely in the strongarm division.

With Steve Pancake smashing in five runs, the Yankees roared past the Dodgers 9 to 2. Pancake hit a pair of homers, one good for three runs and the other accounting for two tallies.

IN A HOT pitchers battle between Danny Murray and Doug Freeman, Murray emerged the winner as his Indians slipped past the Dodgers 3 to 2. Murray whiffed 10 men and Freeman did him one better, striking out 11 batters.

Mike Skinner, Murray's battery-mate, drove in two of the three runs.

REMAINING UNDEFEATED in minor league play, the Giants rammed over 13 runs in the first two innings and managed to hold on for a 19 to 13 win over the Cards.

Other minor league games saw the Pirates rout the Phils, 22 to 6 and the Red Sox and Orioles battle to a 7 to 7 tie.

## Spring Baseball Leagues Finish Season at Alondra

Alondra County Park's Spring Baseball leagues, have come to a close. The mighty Dodgers, coached by Dave Mullins, finished the competition in first place. Jim Norwood coached the Cubs into second place position closely followed by Jim Mitas and his Pirates. In the final day of the league the Dodgers were defeated by a score of 8 to 3 by the hard playing Cubs.

In the playoff game the Cubs went on to defeat the Pirates in the finale of the Spring league. The summer baseball leagues are now beginning and promise to be a close race throughout the summer.

Registration for the summer baseball program is still in process with a limited number of openings remaining. Boys between the ages of 9 to 17 who are interested may register at the Alondra Park Activity Building, 3850 Manhattan Beach Blvd. Registration will take place in the afternoons only.

Three teams in Alondra Summer leagues at the present time are in need of a coach. Two junior teams and one midget team are on the available list for coaches. Coaches who are interested and wish to participate may do so by

calling the Activity Building, DA 3-8125 or personally coming in. The address is 3850 Manhattan Beach Blvd.

## Smith to Meet Franklin Haines

Roy Smith, popular Torrance light heavyweight, will meet Franklin Haines in the off television main event at the Olympic Auditorium next Thursday night.

Smith is matched with a good fighter when he squares off with Haines, who has had more than 100 pro fights and went 10 rounds with Archie Moore last year.

Smith's record in 39 bouts is 26 wins, nine losses and four draws. He is trying for a meeting this summer with Jess Bowdry of St. Louis, who lost to Harold Johnson in a light heavyweight title fight recently.

## Optometrist Attends Management Seminar

Dr. Eleanor Z. Thill of Torrance was among those attending the second annual practice management seminar of the California Optometric Assn. in Los Angeles last week.
